

La Table pour la récupération hors foyer

The *Table pour la récupération hors foyer* (Issue Table for recycling outside the home) is a non-profit organization composed of partners from the public, private and associative sectors whose common goal is to optimize the recovery of recyclable materials consumed outside the home.

MISSION

TO INITIATE, DEVELOP AND IMPLEMENT A LARGE-SCALE SELECTIVE COLLECTION PROGRAM FOR THE RECOVERY OF RECYCLABLE MATERIALS OUTSIDE THE HOME

MEANS

- Establishment of a fund to be distributed over a period of three years, with a value of two million dollars for the first year of the program
 - Partnership with stakeholders in all sectors concerned
 - Sustainable systems with an inclusive approach toward selective collection and that permit the recovery of all types of containers and recyclable materials
